Financial Aid Vocabulary

Directions: After reading through the list of vocabulary words, divide them into groups according to the columns on the chart sheet. **K** stands for KNOW—these are words you can define without question. If I asked you to write a sentence using the term properly, there would not be a problem. **KoK** represents the words you KIND of KNOW. You are pretty sure (95% positive) what the term means but wouldn't bet any money on it. **NK** is the NO "K"LUE column. This is for the vocabulary that means something to someone, but you have no idea what it is!
