

## About Me: Hexagonal Doodle Blocks

**Directions:** Use the provided hexagonal doodle block template and the prompts below to creatively share a little about yourself. Draw a selfie in the center block. Do your best, remember I'm not grading on your artistic abilities! When you are finished, please cut out the template and place it in the basket.

### Section 1: Your Name

- Write your first and last name in your favorite colors, using a creative font.
- Add doodles to highlight and set off your name.

### Section 2: Need to Know Adulting Skills

- Write the name of a few adulting skills you need to know or learn more about colorfully and creatively.
- Draw images and doodle descriptors relating to the adulting skills you selected.

### Section 3: Career(s) of Interest

- Draw a career(s) you are interested in, adding colorful and creative image(s) and doodle(s).
- Include high school courses/subjects that will help you in this field.

### Section 4: Quote(s)

- Use bright, colorful, creative fonts and/or images to share a quote(s) that represents your future financial life philosophy or motto.

### Section 5: The Places You'd Like to Go

- Share places you'd like to go someday.
- Include the name and image of the places in bright colors, using creative fonts and/or doodles.

### Section 6: Future Goals

- Besides career and travel, share other goals you have for your future.
- Draw related images, doodles and descriptors using color and creative fonts.
