

What Biscuit Am I?

Use your notes chart to help you figure out which biscuit is being referenced.

1. You might think you've gone to heaven as you eat this yeast filled biscuit.

- What biscuit am I?

2. I'm rather rough in my appearance, but don't let that stop you from enjoying the product of my wet dough.

- What biscuit am I?

3. Made with cream and often served with tea in England, my wedges make a delightful snack.

- What biscuit am I?

4. Originated in Italy this hard biscuit makes a great dipper for coffee or tea.

- What biscuit am I?

5. As a classy biscuit from the south, I get called decadent and rich all the time due to my ingredients. I am often found hanging around joints such as KFC and Popeyes.

- What biscuit am I?

6. Often confused with a popular type of cake, I'm really a biscuit in disguise.

- What biscuit am I?

7. You'll find me on an Italian dessert tray shaped like a ribbon, covered in powdered sugar and fried.

- What biscuit am I?

8. Even though I'm steamed in a pot and often served over chicken, I'm closely related to the drop biscuit.

- What biscuit am I?

9. Unlike the United States, Europe, Africa and Asia see me as a sugary treat served as a dessert.

- What biscuit am I?

10. Flattened by a wooden pin before cut and baked my alias is the "baking powder" biscuit.
