

Dear Chef Tidbits,

I made a batch of homemade Bisquick last month and I am worried it's going to go bad. I want to get it used up before that happens. I would like to find a variety of recipes to use throughout the next week. I want to make a breakfast, dinner, dessert, snack, side dish, and something really creative or unusual. Please help!

~Signed Bisquick Blair

Help "Chef Tidbits" solve "Bisquick Blair's" dinner dilemma by creating a Google Slide-Show presentation of the recipes options you'd recommend. Each slide option should include:

- Name of each of the Dishes and Meal Category
- A Picture of each of the Dishes
- Hyperlink of each of the Recipes
- A List of all of the Ingredients labeled by Food Groups (must include Bisquick)
- SAMPLE

EASY BISQUICK CHICKEN POT PIE
