

Family Dinner Matters: A Family Feature Trailer

A Family Feature!

You and your group members will create a Family Feature iMovie Trailer titled “Family Dinner Matters”. The feature should include information from all group members, appropriate images and music. These will be used to promote the importance of family meal time.

Family Feature Criteria:

- Must include information regarding the importance and benefits of family meals (at least one for each of the PIES area per person)
- Must include current statistics (positive or negative) associated with family meals; at least one per group member
- Must include at least one conversation starter or topic per group member that would encourage family communication at the dinner table
- Must include at least one rule per person utilized during family meal time
- Must include one Easy Family Dinner Meal Idea per person that can be prepared in 30 minutes or less utilizing provided guidelines. It would be awesome if your meal idea involved the family in the preparation/cooking process! Selection recipes will be shared via Google Classroom. Each member will add their name, meal idea, picture, recipe (hyperlinked is fine) and the total prep/cook time (30 minutes or less) and food group connections to a group Google Slide presentation template. The meal idea/recipe must follow the following criteria:
 - Be a combination food that include at least 3 or more different foods from the five food groups: grains, vegetables, fruits, dairy and protein foods. Identify groups and food sources
 - Limit foods that are fried, ultra-processed or high in fat
 - Incorporate high-fiber foods like whole-grain breads and cereals, vegetables, fruits, beans, nuts and seeds
- Must include appropriate images and music

- Must be free of spelling and grammatical errors
- Must be at least one minute in length
