

FRUIT NOTES

What's to love about fruit?

Fruit Classifications:

CLASSIFICATION	DESCRIPTION	EXAMPLES

**DO NOW ACTIVITY: SOME FRUITS TURN BROWN WHEN YOU CUT THEM.
WHY?**

Use this [YouTube video](#) to answer the following questions in complete sentences (*3pts: 2 points for the correct answer, 1 point for complete sentences*):

- What is the name of the term used to explain this process?
- Explain in your own words why this happens (2-3 sentences).
- How can the browning of fruits be reduced or prevented?
- Three examples of foods that will brown easily.

Fresh Fruit Selection

Things to look for include:
