

[Global Soups--Extension Activity](#) (click the title)

Use the provided resource to help you solve the problems.

- 1. I contain red beets and can be consumed hot or cold. What soup am I and where do I originate?**

- 2. I am a mainstay cuisine that is full of lentils and spices with some British additions such as carrots and apples. What soup am I and where do I originate?**

- 3. If you love peanut butter, you will adore me! My nutty flavor is enhanced with sweet potatoes and sometimes, even chicken, okra and tomatoes. What soup am I and where do I originate?**

- 4. I am often found on bistro menus and include a rich flavor that is topped with crusty croutons and lots of cheesy goodness. What soup am I and where do I originate?**

- 5. I can easily be prepared at home. I contain scallions, tofu and beaten egg, which is ironically how I get my name. What soup am I and where do I originate?**
