

Consistency & the Six Word Instagram Message

Create a 6 Word Instagram message about Consistency in Parenting along a corresponding IMAGE. See the sample.

Step 1: Generate a list of words associated with the topic based on the video clip, article and class discussions. Then put together various combinations of words until you have a profound or thought-provoking message.

Step 2: Find an image that corresponds with and helps promote your 6 word message.

Step 3: Go to the [FOTOR website](#) and create a free account. Look under the Social Media Post and locate the Online Instagram Template/Generator. Choose a template to create your Instagram message. Share via Google Classroom when finished.

Step 4: Present & explain your Instagram Message with the class.
