

**Instructions:**

- Choose a Partner!!
- Select a FOOD from the basket.
- Research: You are investigating the ORIGIN of your food. You must use a minimum of three websites with stories about your food origin. Using 3 sites allows to FACT CHECK the story. Do not use Wikipedia as source. Record your website addresses on the pre-writing activity below. You may write this information on a printed sheet that will be provided or you may complete your work in google classroom and turn it in online.
- The **FACTS** you are looking for the WHO, WHAT, WHEN, WHY & HOW of your story
- Create a VENN diagram OR a **Similarities and Differences** Chart.
  - Write the FACTS that are Similar from the article & where there are discrepancies – write those in the differences column or in the separate circles of the VENN diagram.

IF there ARE too many discrepancies in the stories about your food, YOU must continue searching for the TRUE Story using additional websites.

**Rubric and Work Chart:**

Document WHO did WHAT: Group decision- ARE YOU making a paper poster or are you making and online poster using an app or a website! Glogster and Piktograph

Student Name	Describe your work and contribution to the project
