

INVESTIGATING MEAT CONTROVERSIES

Choose one of the following controversial issues concerning meat:

- Radiation
- Corn Diet
- Stock Yards
- Hormones
- Free Range
- Antibiotics
- Factory Farms

Procedure

Your first step is to determine your topic and the issue. Are you for or against it?

Analyze the controversy and develop your argument. Create a list of pros and cons to help you defend your position.

You want to inform your audience about this topic so they can make informed decisions about the meat they are purchasing.

Choose your position and type or neatly write a minimum 2 page essay (double spaced) defending your position. Be sure to include your introduction, arguments, at least one counter argument along with a conclusion.

Use at least 5 sources relating to the issue. Cite sources using the MLA format.
