

Project Assignment: Choose ten of the symbols from the chart and show what each symbol represents. Create a presentation on Google Slides, Animoto or Adobe Spark Video. If you are interested in Animoto or Adobe Spark Video, you will need to install the App. The chart below is your brainstorming sheet; choose ten symbols to work with. This must be presented to the teacher before you begin work on the actual project. Submit final presentation to Google Classroom.

- All ten of your symbols should be labeled on your presentation.
- All ten of your symbols should be represented with a picture or pictures.
- All ten of your symbols should have an explanation as well. You should write the symbolic meaning on the slide and/or show how the symbol relates to the story. This explanation should be recorded in complete sentences.

***The first example on the chart is filled out for you.**

SYMBOL	PICTURE	MEANING
1. Driftwood (Epilogue)	I would include a picture of a piece of driftwood floating in the water, against the current such as you might see in an ocean.	The driftwood symbolizes Dave's fight against the force of his mother and her abuse and how he struggles to get away like driftwood fighting the current and trying to get to the shore.
2. Swiss cheese		
3. the clock		
4. the newspaper		
5. the hamburger		

6. the super hero		
7. the school		
8. the ammonia		
9. the mirror		
10. the madhouse		
11. Mother's attire/ make up		
12. "It"		
13. the sneakers
