

# Teen Pregnancy from A to Z

For each letter of the alphabet, choose and describe a concept that you learned about teen pregnancy, using your class notes and resources. The following must be included:

1. A word or phrase for each letter of the alphabet. You may need to get creative for some of the letters.
2. A short description of the concept learned.
3. A picture or representation for each concept learned.

*\*Remember to keep your examples school appropriate and in context. Any examples deemed inappropriate will result in a zero.*

Each group will create their book in a Google Slides presentation, randomly assigning letters to each group member. Each group will also create a title page using the title “Teen Pregnancy from A to Z”. The title page must also include the names of each person in your group. You will submit the final product via Google Classroom by the assigned due date. Due \_\_\_\_\_
