

Write Your Own PIES Scenario

Randomly select a slip of paper with a setting and write a scenario that includes all of the PIES areas of development. You must also create a "key" identifying the PIES of your scenario. These will be shared with a partner for a grade. Scenario may be typed or neatly hand written. Settings to select from include:

- Finger-painting at preschool
- Reading a book with dad
- Playing hopscotch with friends
- Planting a garden with grandpa
- Playing Candyland or Chutes & Ladders with siblings
- Preparing for bed with mom
- Going for a walk in the forest
- Folding laundry with grandma
- Playing on the beach
- Building a snowman
